

US Pine Lake Preparatory Clubs 2018-2019

Club	Advisor	Meeting Time/Place	Description and Criteria for Membership (if applicable)
Action Book Club	Mr Bitters	TBD	We believe that books can inspire you to make the world a better place—starting in your own neighborhood! Action Book Club invites participants to read books on timely topics, engage in lively discussions, and take part in meaningful—and fun—group service projects to benefit their communities. This is reading and social engagement at its best.
Art Honor Society	Mrs. Hook	1st and 3rd Wednesday, before school, Mrs. Hook's rm#204	Visual arts-focused students will be selected for membership based on dedication, subject interest, and academic responsibility. Students must be a junior or higher, be on their third year/level of art, maintain an A in their art class. Students will participate in various events throughout the year that bring about awareness and interest in the arts. Inductee invitations typically send out early October. <i>(N/A for Club Day)</i>
Aquaponics Club	Ms. Dorcas Mr. Walker Mr. Chappell Mrs. Field	TBD	Students will learn about how aquaponics work. Students will monitor water quality (pH,temp, ammonia,etc), harvest/plant greens, and feed/harvest fish.
Beta Club	Mrs. Peters Mrs. Faulkenberry	TBD	Beta is an honor service organization. Students will participate in a variety of community service activities. Students must have a 3.5 GPA in order to join.
Caduceus Club	Mrs. Peters	Room 205 Friday's A lunch & after school	A club targeted towards exposing Pine Lake students to health care professions through service, shadowing, and learning.
Creative Writing	Mr. Rhodes	TBD	A club for any level of writer to come, learn about creative writing, and participate in some of the most popular national writing challenges if interested. It will be a place where ideas can be shared, plots tested, and have work reviewed by peers in a friendly and constructive setting.
Debate Club	Mr. Hubacher	TBD in Room 218 (Hubacher)	The debate club is great place for students to explore the art of "organized arguing." Students in debate club tend to enjoy discussing current issues and if they don't already have a strong voice and good presentation skills, they will learn these abilities in a fun, safe club environment.
Diversity and Global Awareness Club	Ms. Davis	Room 126	A club designed to expose students to a variety of cultures around the world, as well as to educate students about the experiences of diverse identities and the unique challenges they face. The club will work to engage the community in several thought-provoking demonstrations and events that will extend this education to their peers. Members will also give back to the community by participating in service that specifically supports disenfranchised groups.
EPIC Club	Ms. McCraw	TBD in Room 206 (McCraw)	The club is for students with an interest in physics, innovation, and engineering, as well as other sciences to learn and grow from each other. Students will also be reaching out to younger students to promote interest in these topics.

Excel Club	Mr. Hubacher	Club meets when needed as determined by club leadership in Room 218 (Hubacher)	Excel clubs organize their own fundraisers and community service projects to benefit the community and their school. Responsible for the Pine Lake Adopt-A-Highway program. There is a \$15 annual fee to join. Deadline to join is 9/14.
Fishing Club	Mr. Alburger	TBD (after school)	For students interested in fishing to talk about the craft, share secrets and tips, and plan possible fishing outings
Food Club	Ms. Schaffner	TBD	A club where we learn about different cultures by eating their food. We will also raise money for Rise Hunger organization and volunteer at the local soup kitchens
Genders and Sexualities Alliance (formerly Gay-Straight Alliance)	Ms. Schaffner	TBD	The GSA club is a student-run club in the PLP upper school that brings together LGBTQI+ and straight students to support each other, provide a safe place to socialize, and create a platform to fight for racial, gender, LGBTQI+, and economic justice.
Girls Who Code	Coral Riley	Regular meetings TBD	Girls Who Code supports and encourages girls who want to enter a career of computer science. This club is also open to young women in high school just interested in learning the skill set. We will work with website development and Virtual Reality. No experience needed!
Graphic Design Club	Mr. Rhodes	TBD	Learn about graphic design, Photoshop and be able to make beautiful logos quickly, efficiently and without losing quality. Her, everyone will come together to share the same passion in a fun and supportive environment regardless of art skill or graphic design skill. For those more experienced art skills will be challenged in new ways and the focus will be on creativity and real world skills.
Green Team	Mr. Alburger	TBD	For students who care about the school and the environment and are prepared to work to make our world a better place.
Impact	Mrs. Weber Mrs. Schroder Mrs. Dove	High School Tues. 2:20-3:00 Mrs. Weber's Room (214) Middle School 3:05-4:00 Tues. Mrs. Lehec's room	A Christian service-learning group. Students meet for food, games, a message, fun with friends, and service opportunities. *Day subject to change based on student preference
International Thespian Society	Ms. Howard	Lobby of the auditorium once a month at lunch. TBD which day this year.	Students work to earn points in order to be inducted into the International Thespian Society which is a lifetime membership. While working towards that goal students will plan cultural events, performance events, and participate in at least one service project during the year.
Investment	Mr. Alburger	TBD	Discussion of finances, simulation of investments, and better

Club			understand of the financial world.
Key Club	Ms. Dorcas	TBD	The oldest and largest service programs for high school students. We will participate in fundraisers for organizations such as Cookies for Kids' Cancer, March for Dimes, the Ronald McDonald House.
Media Club	Ms. Goddard	TBD	Students will be involved with creating a podcast that highlights the goings on and interesting people here at PLP. Initially it will begin with podcasting but include goals of spreading to streaming and possible video. Other possibilities include blogging.
Model UN	Mrs. Weber	US 214 *Day subject to change based on student preference Last year, we met Mondays after school.	Students will gain skills in conflict resolution, negotiating, public speaking, and diplomacy. Students will attend conferences with the PLP team at UNC Charlotte and Duke. Participation in the club will enable students to meet students from across NC and to make an impact on the world!
Mu Alpha Theta (Math Honor Society)	Mrs. Peters Mrs. Morgan	Room 205 TBD	Students will make a difference with this society through tutoring students and bringing recognition to Pine Lake by competing in regional and national math competitions. We will invite guest speakers to elaborate on how they use math in everyday life and to explain the wonders of numbers - bringing the theory into relatable application. Students must have an overall weighted 4.2 GPA, a combined A average from all math classes, and have completed Math I and Math II and currently be enrolled in an upper level math course.
National Honor Society	Mrs. Schroder Mr. Alburger	Selective Thursdays, during lunch, Room 125/130 (maybe via video)	Students plan and participate in school-wide service projects to better the Pine Lake campus and our community. Students must be a junior or senior with a 4.2 weighted GPA to be able to apply for NHS; once students are notified of eligibility and fill out an application, a faculty council will approve and select members for this society.
Photography Club	Mrs. Schroder	Wed Lunch once per month to share photos A - US130 / B - STEM107	Students complete photography challenges and share their favorite photos at meetings. Some of the challenges each year include: composition, fall, holiday/winter, nature/landscape, still life, architecture, portraits, and more. Both budding and experienced photographers are welcome to join!
PLSN (Pine Lake Sports Network)	Mr. Alburger Mr. Bitters Mr. Burr	Tuesdays and days of sporting events	Students will help in the creation of original content and production to highlight student athletics at Pine Lake Preparatory. Activities will include, but not limited to, doing play-by-play for various sports, highlighting students-athlete and coaches, working with Student Council to provide sports content for the weekly news show, and more.
Robotics Club Team SPORK	Mr. Walker	STEM bldg. - Monday team meetings Robotics Workshop & Mr. Walker's room	Students participating in the FIRST Robotics Program will learn to CAD, design, build and program robots to take to regional competitions. In addition, students prepare a business plan, do presentations, and maintain a website. Mentoring the LS and US robotics program as well.
Science	Ms. Dorcas	Tuesdays	Students will compete in science related events at local and state competitions.

Olympiad	Ms. Brastow	STEM 207 TBD	http://www.sciencenc.com/
Spanish Club	Mrs. Gonzalez Mrs. Santos	Wednesdays - lunch in Mrs. Gonzalez's room (108)	Students participate in the Pulsera Project at PLP and volunteer with Caterpillar Ministries in the local community among other service opportunities with Soup Kitchen and ADA Jenkins. Students will participate in Spanish cultural events such as Hispanic festivals, plays, ballets, tango and flamenco shows, pottery making, and dining at authentic Hispanic restaurants.
Special Olympics Champions Club	Dr. Hoffman	TBD	An organized effort to support the local area Special Olympics groups. Consisting mainly of volunteering before, during and after events.
Step Team	Ms. Davis	Room 126	Students work as a team to create and learn a variety of step routines with the goal of performing for school and community events.
Student Council	Mr. Ford Mr. Burr	Thursdays After School Mr. Ford's Room	Student Council elections are held at the beginning of each school year to determine the membership in this club. Students organize events on campus, strive for service activities for the entire campus and much much more!
Tri M Music Honor Society	Ms. Bassett	TBD	This national honor society recognizes young musicians who exhibit strong leadership, a commitment to community service, and high academic achievement. Members are invited to join based on academic eligibility requirements. To stay in good standing in Tri M, students must maintain qualifying grades, complete 10 music related service hours, and participate in the chapter service project.
Young Elites	Mrs. Schroder	TBD	A club for high school girls to inspire intellectual, physical, and social growth, to achieve goals, and to prepare for a lifestyle of leadership.
Young Republicans	Coach Greene	Room 112	The Young Republicans club is a student operated group for Pine Lake Prep Upper School students, where like minded Republicans can express their opinions via discussing rising issues / concerns that our country faces.

FYI - Young Life - lakenormanyounglife@gmail.com (not an official PLP Club)
