

Appendix B – AP Course Waiver

**Pine Lake Preparatory
Advanced Placement Waiver**

FOR: _____ (please print name) **GRADE:** _____

If a student wishes to enroll in more than the PLP recommended number of Advanced Placement courses, or enroll in an AP course without the Teacher Recommendation, all parties must complete this waiver.

Once you and your parents/guardian have read and agreed to the statements identified below, please return this form after you have completed your online registration. Note: Students enrolled in Advanced Placement classes are expected to complete all course materials/summer assignments and take the Advanced Placement test for college credit.

Requested Advanced Placement Course: _____

Knowing that PLP recommends limiting the number of Advanced Placement courses for students in grades Ten, Eleven and Twelve, I fully understand that by registering for more than the recommended amount of AP classes, or registering for an AP class without the appropriate teacher recommendation, I waive my right to drop the course during the 10 day drop period and that I am obligated to remain in the course for the full academic year.

Student Signature: _____ **Date:** _____

As a parent/guardian of the above student, I support my child's decision to enroll in more than the PLP recommended amount of Advanced Placement courses for students. I fully understand that by registering for more than the recommended amount of AP classes, or registering for an AP class without the appropriate teacher recommendation, my child waives the right to drop the course during the 10 day drop period and that he/she is obligated to remain in the course for the full academic year.

Parent/Guardian Signature: _____ **Date:** _____

US Administrator Signature: _____ **Date:** _____
