

# APES Summer Work

2017-2018

Welcome to AP Environmental! I am so excited that you've decided to commit to a year of challenging yet exciting science. I love environmental science because it is interdisciplinary. We'll master content in several subjects, including science, literature, history, ethics, and economics.

If you have any questions throughout the summer, email me at [jessika.dorcas@pinelakeprep.org](mailto:jessika.dorcas@pinelakeprep.org).

Your work needs to be printed and completed by hand. It is due on **Monday, August 21** (worth 25 points). It will be graded for accuracy. On Monday, August 21, we will quiz on the summer work (worth 50 points). Start early! Don't procrastinate. In order to get full credit for the packet, you need to do the following:

1. Complete [THIS](#) Google Form.
2. Access your online book.
  - a. Go to <https://login.cengagebrain.com/course/MTPP-329P-4T9R>
  - b. Follow the prompts to register your MindTap course. If it asks for an access or course key: MTPP-329P-4T9R
3. Complete the work below. Read and follow all instructions carefully.

## Science Review

1. You are responsible for understanding [THIS](#) information.
2. Complete [THIS](#) worksheet. You may print it or use a separate sheet of paper. Read instructions carefully.

## Intro to Environmental Science

1. **Environmental Science:**  
<http://www.bozemanscience.com/ap-es-001-environmental-science>
  - o Watch and take notes (by hand) on the video.
2. **Environmental Systems:**  
<http://www.bozemanscience.com/ap-es-002-environmental-systems>
  - o Watch and take notes (by hand) on the video.
3. **Vocabulary**
  - o Define [THESE](#) vocabulary words BY HAND. You should underline or highlight the word, then write the definition.
