

January 14, 2014

Dear Pine Lake Families,

Pine Lake Preparatory has quickly grown over the last 7 years into a public charter school that graduates students with enormous potential as they enter in the collegiate setting. We continue to seek growth in areas that will only enhance our campus and services to our students. As a part of this quest to become a school that excels in the Lake Norman area, Pine Lake has set an ambitious goal to develop an endowment fund to assist our graduating students.

The Pride Endowment Fund will allow our graduating seniors to receive scholarship money to assist them in attending the college of their choice. Many possibilities are available in giving and supporting our program.

- A three year commitment of \$1000 will allow a scholarship to be named for your specific organization. An example of this may be a health care provider that chooses to give a scholarship to a student pursuing the medical field in college.
- A three commitment of \$500 will allow a scholarship to be given in honor of a family member of family name and designated criteria for the recipient.
- One time donations will be utilized to fund the general Endowment program and ensure that deserving students are receiving the assistance they need.

All donations are tax deductible with recognition of the contribution on our website (www.pinelakeprep.org) and further recognition at our Annual Pride Endowment dinner. Please mail any contributions to the below address:

Pine Lake Preparatory
C/O Amy Sevic
104 Yellow Wood Circle
Mooresville, NC 28115

We are thrilled to begin the journey of assisting our deserving students with financial assistance and welcome the support from our outside community and families.

Sincerely,

Amy Sevic
